

MINISTERIAL DECREE 1061/2021 ALLOCATION OF DOCTORAL SCHOLARSHIPS NOP FUNDS - Research and Innovation 2014-2020

By Ministerial Decree of 10 August 2021, no. 1061(<http://www.ponricerca.gov.it/notizie/2021/pon-ricerca-e-innovazione-approvata-la-riprogrammazione-che-prevede-nuove-azioni-finanziate-con-risorse-fse-react-eu/>), and subsequent decrees with amendments/updates, new ESF REACT-EU resources have been allocated for active and accredited XXXVII cycle PhD programmes and for national PhD programmes.

The decree provides for the allocation of € 50,750,000 for PhDs on innovation topics and EUR 180 million for PhDs on green topics.

According to each territorial area (More Developed and Less Developed Regions and Regions in Transition), the allocation of the Actions is proportionally divided among the beneficiaries proportional to the number of students enrolled at each university in the academic year 2020/2021.

In further detail, Action IV.4 aims to promote research activity on the *themes of innovation, digital and enabling technologies* and, at the same time, to support the enhancement of human capital as a determining factor for the development of research and innovation in Italy.

Action IV.5 is aimed at enhancing human capital to be engaged in PhD courses on topics oriented towards *ecosystem conservation, biodiversity, reducing the impacts of climate change and promoting sustainable development*.

Research activities must be consistent with the lines defined in the SNSI and the NRP in order to foster an open approach to innovation and greater interchange between the world of research and the production world.
