#### CONFIRMATION OF STUDY PLACE AND ENROLMENT

If you have been admitted through the ranking list you must:

- 1) select the degree course in the application portal and pay with one of the indicated payment methods to confirm the study place within 23 August 2019, 12 midday.**

The first instalment of tuition fees amounts to 747,50 EUR.

**2) until 11 October 2019, 12 midday, enrol online** in the application portal.

If you do not respect the deadlines, you will automatically lose your place which will be offered to the subsequent applicant in the ranking list.

If by paying the 1<sup>st</sup> instalment you have confirmed the study place, there will be no refund of the tuition fees unless you are a non-EU applicant resident abroad and you do not receive the necessary documents from the Italian authorities in your country.

If you have been admitted to more than one degree course, you can only confirm a study place in one of them. With this confirmation you refrain from the admission to the other degree courses and lose the right to move up in the other ranking lists.

If you do not have the required academic qualification, you will be given a conditional offer for a study place and you must submit your qualification upon enrolment. If you achieve your qualification after the enrolment deadline, you cannot enrol and you will lose your place which will be offered to the subsequent applicant in the ranking list.

**Suggestion:** If you achieve your qualification after the enrolment deadline, you should not pay the tuition fees to confirm the study place. You will be able to submit a late enrolment request to the Rector and, only if there are study places still available, you can enrol by 18 December 2019.

Please note that payment does not allow you to receive student status, which will be acquired upon enrolment.

**Applicants with qualifications gained abroad must upload in the application portal (if not uploaded upon application):**

- diploma of your qualification;
- official translation of your diploma into Italian (translation is not necessary if the certificates have been issued in German or English);
- the Diploma supplement, where it must be indicated:
  - that the student has achieved at least 180 credit points (ECTS) and
  - that the study title gives access to a Master course.

In case of doubt, unibz reserves the right to request further documents (e.g. declaration of equivalent value).

- the declaration of equivalent value of the applicants' qualification, in the case the Diploma supplement is missing.

**Attention:** If you have gained your qualification abroad and have not uploaded your diploma, you are provisionally admitted until your study title can be verified.

At the beginning of the academic year you have to submit the originals of the above mentioned documents to the Student Secretariat.

If you have been admitted in the ranking list, but you do not possess a valid entrance qualification, you can be excluded with Rector's decree even after enrolment.
