INFORMATION ABOUT THE LANGUAGE EXAMS OF THE LANGUAGE CENTRE OF UNIBZ

Information regarding the structure of the language proficiency exams, their duration, their administration, and typical processing time for the publication of the results can be found on the following webpage:

<https://www.unibz.it/it/services/language-centre/language-exams/>. We advise that you carefully read all the information contained on that page.

Please note: In case your final title has been awarded by an Italian public establishment, certificates and diplomas must be substituted by self-declarations.

ONLINE APPLICATION

Your application is submitted online through the Application Portal available at www.unibz.it.

You need to create an account, fill in the form online and upload the documents required as an electronic file for every selected degree course. Through the Application Portal you can also upload your language certificates or register for the language exams.

Please note: Mendacious declarations will be penalised by criminal penalties and will result in the automatic exclusion from the ranking list.

ATTACHMENTS

You should upload the required attachments for every selected degree course in the portal. In the portal, you can visualize the status of your application and your attachments with the help of colours (e.g. missing documents will be highlighted in red).

Evaluation can then only take place on the basis of the documents you have uploaded by the deadline.

You have to upload:

- a passport-size colour photo;
- a photocopy of a valid identity card or passport (front/back); attention: if your document is invalid, incomplete or unreadable, you will be excluded from the admission procedure.

If you have gained your qualification abroad, you must also upload:

- the diploma of your qualification: if you are not yet in possession of the diploma, you can upload it upon enrolment at the very latest - until you have not uploaded your diploma, you can only gain conditional admission;
- an official translation of the qualification into Italian (not necessary for qualifications in German or English);
- the Diploma supplement, where it must be indicated:
 - that the student has achieved at least 180 credit points (ECTS) and
 - that the study title gives access to a Master course.

In case of doubt, unibz reserves the right to request further documents (e.g. declaration of equivalent value);

- the declaration of equivalent value of your qualification, in the case the Diploma supplement is missing. If you are not yet in possession of the declaration, you can upload it upon enrolment at the very latest (see next paragraph);
- the valid permit to stay for Italy (only for non EU-citizens legally resident in Italy) – see below chapter “EU-citizens and equivalent” point 2.

What is the declaration of equivalent value

If you have a qualification from abroad, you must certify that your qualification would grant you entry to a similar university course in the country where you achieved this qualification.

For that reason you must:

- apply for the “dichiarazione di valore” (declaration of equivalent value) at the Italian consulate or embassy abroad (please apply for the declaration as soon as possible since it can often require long processing times);
- upload the declaration upon enrolment at the very latest, together with the other relevant documents.

EU-CITIZENS AND EQUIVALENT

Within an application session you might apply for more than one study programme. If you are excluded in the first session, you might apply again in the second one.

Please proceed in this way:

- Fill in the application form correctly and submit it by the deadline. Filled-in forms which have not been sent correctly will not be taken into consideration;
- Once the application has been sent, it cannot be modified.

They are considered as equivalent:

1. Citizens from Norway, Iceland, Liechtenstein, Switzerland, San Marino and Vatican;
2. Non-EU-citizens with a valid permit to stay in Italy (see article 39, paragraph 5 of decree no. 286 of 25.07.1998: "**permesso di soggiorno**" for work, family reasons, political or humanitarian asylum, religious reasons). In this case, you apply directly to the University as described above and must submit a copy of your valid permit to stay. A permit to stay for study reasons or a visa for tourism is not sufficient. If the permit deadline has expired, you must attach a renewal request. **NB:** if you do not provide the permit for one reason or another, you will be automatically considered a non-EU citizen living abroad and therefore subject to the admission procedure through the Italian authorities acting in your country of origin.

Deadlines	Begin	End (term of exclusion)
1 st session	1 March 2019	26 April 2019, 12:00 noon
2 nd session	20 May 2019	31 July 2019, 12:00 noon

NON-EU-CITIZENS (RESIDENT OUTSIDE OF ITALY)

Only one application session is offered. After the deadline it is not possible to apply anymore.

Please note: You can apply for one study programme only!

In the event of a second application, only the first one will be considered.

Please proceed in this way:

- Fill in the application form correctly and submit it by the deadline. Filled-in forms which have not been sent correctly will not be taken into consideration;
- Once the application has been sent, it cannot be modified.

Deadlines	Begin	End (term of exclusion)
Application session	1 March 2019	26 April 2019, 12:00 noon

You will also have to **apply at the Italian authorities** (consulate or embassy) in your country. The deadlines set by the Italian Ministry of Education, Universities and Research (<http://www.studiare-in-italia.it/studentistranieri/>) must be respected. Should you not follow this procedure with your local Italian consulate, the application delivered direct to the University will be declared null and void.

SELECTION PROCEDURE

If the number of eligible applicants exceeds the maximum number of available places (see page 2 of this document), you will be assessed for admission based on your academic qualifications in order to verify your academic suitability.

The ranking lists are based on the following criteria:

- final bachelor grade (if already graduated)
OR
- full academic background containing the list of courses and obtained grades (if not graduated yet)

The selection committee can assign max. 100 points based on the:

- graduation mark for applicants already graduated
- weighted average mark for applicants not graduated yet

**If you have already obtained the final bachelor grade you will have priority in the ranking list.
If you have not obtained the final bachelor grade you will be ranked after the candidates who have already graduated.**

Should more applicants have the same score, the youngest one will be given priority in all ranking lists (art. 3 L. 127/1997).

In the application portal, you must upload:

➤ the *previous Bachelor degree*:

If you already obtained the required degree, you must upload in the application portal:

- if graduated in Italy: diploma supplement or substitute-declaration (following the Italian D.P.R. nr. 445/2000) of the degree awarded with the final grade, the exams passed as well as the marks, the date in which the exams were passed and the credit points as well as the subject areas and the hours of teaching;
- if graduated abroad: diploma supplement or final degree certificate issued by the foreign university (to be translated into English if it is written in a language which is not Italian, German or English) detailing the final mark, exams passed as well as the marks, the date in which the exams were passed and the credit points as well as the hours of teaching. A description of the contents of the single courses must also be attached; it is advisable to attach the declaration of value or a document written by the university itself with the indication of the lowest mark needed in order to achieve the degree as well as the highest mark obtainable;

If you have not already obtained the required degree, you must upload in the application portal:

- for Italian universities: substitute-declaration (following the Italian D.P.R. nr. 445/2000) of the exams passed as well as the marks, the date in which the exams were passed and the credit points as well as the subject areas and the hours of teaching;
- for foreign universities: a certificate (to be translated into English if it is written in a language which is not Italian, German or English) issued by the foreign university containing the list of exams sat as well as the marks, the date in which the exams were passed and the credit points as well as the hours of teaching. A document issued by the university containing the scale of the marks used as well as the contents of the single courses has to be uploaded as well.

Furthermore you need to download a form from the following link:

<https://www.unibz.it/assets/Documents/Applicants/unibz-scitech-tab-exams-master.xls>

Please fill it in and upload it in the portal as an *Excel file*.

Please note: Mendacious statements are sanctioned by the criminal Code and imply the automatic exclusion from the ranking list.

ADMISSION RANKING LISTS

The Admission Committee will only evaluate the documentation uploaded in the portal by the deadline for application. Two admission ranking lists will be drawn up: one for EU citizens (and citizens of other countries who enjoy parity of treatment) and one for non-EU citizens resident abroad.

The ranking lists will be published on the website <https://www.unibz.it/en/applicants/ranking-lists/>. They are valid only for the current academic year only.

Publication:

For the first application session, likely by 17 May 2019.

For the second application session, likely by 9 August 2018.

CONFIRMATION OF STUDY PLACE AND ENROLMENT

If you have been admitted to more than one degree course, you can only confirm a study place in one of them. With this confirmation you refrain from the admission to the other degree courses and lose the right to move up in the other ranking lists.

For enrolment you need to:

1. **pay the first instalment of university fees** (747,50 €)
2. **in the application portal**, choose the course and upload **the payment receipt** (to confirm your study place). Please note that payment will only be accepted once the receipt has been uploaded in the portal - it is not enough just to make the payment, otherwise you will lose your study place!

Deadline for applicants of Session I	27 May 2019, 12:00 noon
Deadline for applicants of Session II	23 August 2019, 12:00 noon

If you do not respect this deadline, you will automatically lose your study place, which will be offered to the subsequent applicant in the ranking list.

For EU citizens and equivalent only: If not all study places of Session I are occupied, any free places will be assigned in Session II.

Please note that payment does not allow you to receive student status, which will be acquired upon enrolment.

If you have a confirmed study place, there will be no refund of the university fees unless, in the event of non-EU applicants resident abroad, you do not receive the necessary documents from the Italian authorities in your country.

Admission with reservation:

If you do not have the required academic qualification, you will be given a conditional offer for a study place and you must submit your qualification upon enrolment. If you achieve your qualification after the enrolment deadline, you cannot enrol and you will lose your place which will be offered to the subsequent applicant in the ranking list. Suggestion: If you achieve your qualification after the enrolment deadline, you should not pay the tuition fees to confirm the study place. You will be able to submit a late enrolment request to the Rector and, only if there are study places still available, you can enrol by December 18, 2019.

3. **in the application portal, enrol online**

Deadlines	Begin	End
for applicants of Session I	15 July	11 October 2019, 12:00 noon
for applicants of Session II	9 August	11 October 2019, 12:00 noon

Enrolment is recommended as early as possible, so you have the possibility to upload incomplete documents before the end of the deadline.

If you do not respect the deadline for enrolment, you will lose your study place, which will be offered to the subsequent applicant in the ranking list.

If you have gained your qualification abroad you must upload (if not uploaded upon application):
<ul style="list-style-type: none">• diploma of your qualification
<ul style="list-style-type: none">• official translation of your diploma into Italian (translation is not necessary if the certificates have been issued in German or English)
<ul style="list-style-type: none">• the Diploma supplement, where it must be indicated:<ul style="list-style-type: none">• that the student has achieved at least 180 credit points (ECTS) and• that the study title gives access to a Master course.In case of doubt, unibz reserves the right to request further documents (e.g. declaration of equivalent value).

- the declaration of equivalent value of the applicants qualification, in the case the Diploma supplement is missing.

At the beginning of the academic year you have to submit the originals of the above mentioned documents to the Student Secretariat.

Please note that if you do not possess a valid entrance qualification, you could be excluded with Rector's decree even after enrolment.

If you are a non-EU citizen resident abroad:

If you are able to be admitted to the admission procedure of the course you applied for (check the admission ranking lists), the Italian Authorities in your own country will issue you with the entry visa for studies/university: this will allow you to arrive in Italy to sit any entrance tests you have to take, and to enrol for the course that you have applied for, after passing the selection procedure.

According to Italian law, within 8 working days of your arrival in Italy, you must have applied for the permit to stay: as soon as you arrive you should go to the Advisory Service and you will be given the necessary information for starting this procedure.

Once you will obtain your permit of stay for Italy (permesso di soggiorno), you have to deliver it to the Student Secretariat personally or via e-mail.

Students intending to transfer from another Italian University to unibz have to submit to the Student Secretariat - at the beginning of the academic year - a copy of the transfer application presented at the university of origin.

TUITION FEES

Enrolment taxes and fees for the 2019/20 academic year amount to **1.347,50 €**.

If you drop out of a course, interrupt your studies or are excluded from studies, you are not entitled to reimbursement of fees.
