MASTER IN INDUSTRIAL AND MECHANICAL ENGINEERING

Master class: LM-33

The aim of this two-year programme is to provide you with solid knowledge about industrial mechanical engineering (functional and structural mechanical design, production and plant maintenance, logistics and production planning, etc.) and its related fields. To this end, the course aims at training a modern mechanical engineer, able to integrate traditionally separated specialized fields, such as the mechanical design, mechatronics, automation, management and logistics ones. The degree course splits into two different branches in which students can specialize: "Mechanics and Automation" and "Logistics and Production".

Short description of the international Study Programme

The Master has been established at the Faculty of Science and Technology of the Free University of Bolzano (unibz). The Master is offered singularly from the unibz and has an international character. The path "Logistics and Production" is offered in collaboration with the Otto-von Guericke University of Magdeburg (OvGU) and allows obtaining a "double degree".

Career opportunities

After graduation you can expect to work in the industrial sectors in the following company's functions: research and development, design, procurement, production, operational management, internal and external logistics and quality assurance.

As well as for pursuing freelance careers as consultants, the course provides the you with the tools for working for companies in the manufacturing, mechanical and mechatronic, energy production and conversion, automation and robotic industries or in the public administration. Your activities will be directed toward designing and producing instruments, engines, machines and other mechanical equipment and/or managing materials procurement, operations management and logistics.

Languages used in Teaching

The official teaching language is English. Elective courses are offered in English, Italian and German.

INFORMATION ABOUT THE LANGUAGE EXAMS OF THE LANGUAGE CENTRE OF UNIBZ

Information regarding the structure of the language proficiency exams, their duration, their administration, and typical processing time for the publication of the results can be found on the following webpage:

<https://www.unibz.it/it/services/language-centre/language-exams/>. We advise that you carefully read all the information contained on that page.

Please note: In case your final title has been awarded by an Italian public establishment, certificates and diplomas must be substituted by self-declarations.

ONLINE APPLICATION

Your application is submitted online through the Application Portal available at www.unibz.it.

You need to create an account, fill in the form online and upload the documents required as an electronic file for every selected degree course. Through the Application Portal you can also upload your language certificates or register for the language exams.

Please note: Mendacious declarations will be penalised by criminal penalties and will result in the automatic exclusion from the ranking list.

ATTACHMENTS

You should upload the required attachments for every selected degree course in the portal. In the portal, you can visualize the status of your application and your attachments with the help of colours (e.g. missing documents will be highlighted in red).

Evaluation can then only take place on the basis of the documents you have uploaded by the deadline.

You have to upload:

- a passport-size colour photo;
- a photocopy of a valid identity card or passport (front/back); attention: if your document is invalid, incomplete or unreadable, you will be excluded from the admission procedure;
- the attachments listed in the section entitled "Selection procedure".

If you have gained your qualification abroad, you must also upload:

- the diploma of your qualification: if you are not yet in possession of the diploma, you can upload it upon enrolment at the very latest - until you have not uploaded your diploma, you can only gain conditional admission;
- an official translation of the qualification into Italian (not necessary for qualifications in German or English);
- the Diploma supplement, where it must be indicated:
 - that the student has achieved at least 180 credit points (ECTS) and
 - that the study title gives access to a Master course.In case of doubt, unibz reserves the right to request further documents (e.g. declaration of equivalent value);
- the declaration of equivalent value of your qualification, in the case the Diploma supplement is missing. If you are not yet in possession of the declaration, you can upload it upon enrolment at the very latest (see next paragraph);
- the valid permit to stay for Italy (only for non EU-citizens legally resident in Italy) – see below chapter "EU-citizens and equivalent" point 2.

What is the declaration of equivalent value

If you have a qualification from abroad, you must certify that your qualification would grant you entry to a similar university course in the country where you achieved this qualification.

For that reason you must:

- apply for the "dichiarazione di valore" (declaration of equivalent value) at the Italian consulate or embassy abroad (please apply for the declaration as soon as possible since it can often require long processing times);
- upload the declaration upon enrolment at the very latest, together with the other relevant documents.

EU-CITIZENS AND EQUIVALENT

Within an application session you might apply for more than one study programme. If you are excluded in the first session, you might apply again in the second one.

Please proceed in this way:

- Fill in the application form correctly and submit it by the deadline. Filled-in forms which have not been sent correctly will not be taken into consideration;
- Once the application has been sent, it cannot be modified.

They are considered as equivalent:

1. Citizens from Norway, Iceland, Liechtenstein, Switzerland, San Marino and Vatican;
2. Non-EU-citizens with a valid permit to stay in Italy (see article 39, paragraph 5 of decree no. 286 of 25.07.1998: "**permesso di soggiorno**" for work, family reasons, political or humanitarian asylum, religious reasons). In this case, you apply directly to the University as described above and must submit a copy of your valid permit to stay. A permit to stay for study reasons or a visa for tourism is not sufficient. If the permit deadline has expired, you must attach a renewal request. **NB:** if you do not provide the permit for one reason or another, you will be automatically considered a non-EU citizen living abroad and therefore subject to the admission procedure through the Italian authorities acting in your country of origin.

Deadlines	Begin	End (term of exclusion)
1 st session	1 March 2019	26 April 2019, 12:00 noon
2 nd session	20 May 2019	30 August 2019, 12:00 noon

NON-EU-CITIZENS (RESIDENT OUTSIDE OF ITALY)

Only one application session is offered. After the deadline it is not possible to apply anymore.

Please note: You can apply for one study programme only!
In the event of a second application, only the first one will be considered.

Please proceed in this way:

- Fill in the application form correctly and submit it by the deadline. Filled-in forms which have not been sent correctly will not be taken into consideration;
- Once the application has been sent, it cannot be modified.

Deadlines	Begin	End (term of exclusion)
Application session	1 March 2019	26 April 2019, 12:00 noon

You will also have to **apply at the Italian authorities** (consulate or embassy) in your country. The deadlines set by the Italian Ministry of Education, Universities and Research (<http://www.studiare-in-italia.it/studentistranieri/>) must be respected. Should you not follow this procedure with your local Italian consulate, the application delivered direct to the University will be declared null and void.

SELECTION PROCEDURE

You are ranked by your grade point average score of the passed exams of the first degree (excluded the final mark of the degree).

A test/colloquium, which takes place between 6 and 10 May 2019 (for applicants of the 1st session) and between 5 and 7 August 2019 (for applicants of the 2nd session), is required only in case the ranking does not lead to a final ranking list.

The commission's decision will be based on the competences and soft skills. The faculty secretariat informs you in case of colloquium.

In the application portal, you shall upload:

- the previous degree:
If you already obtained the required degree, you must upload in the application portal:
if graduated in Italy: diploma supplement or substitute-declaration (following the Italian D.P.R. no. 445/2000) of the degree awarded, final mark, exams passed as well as marks, credit points, subject areas, hours of teaching and date of examination of each exam passed.

if graduated abroad: diploma supplement or final degree certificate issued by the foreign university (to be translated into English if it is written in a language which is not Italian, German or English) detailing final mark, exams passed as well as marks, credit points, hours of teaching and date of examination of each exam passed.

A description of the contents of the single courses must be attached; it is advisable to attach the declaration of value or a document written by the university itself with the indication of the lowest mark needed in order to achieve the degree as well as the highest mark obtainable;

If you have not yet obtained the required degree, you must attest that you have acquired at least 150 credit points (ECTS), as established in the didactic regulation of their course of origin, by uploading in the application portal:

for Italian universities: substitute-declaration (following the Italian D.P.R. nr. 445/2000) of the exams passed as well as marks, credit points, subject areas, hours of teaching and date of examination of each exam passed.

for foreign universities: a certificate (to be translated into English if it is written in a language which is not Italian, German or English) issued by the foreign university containing the list of exams sat as well as marks, credit points, subject areas, hours of teaching and date of examination of each exam passed. In addition, a document issued by the university containing the scale of the marks used as well as the contents of the single courses has to be presented.

- Curriculum Vitae (English),
- Excel-file to be downloaded from the following link:
<https://www.unibz.it/assets/Documents/Applicants/unibz-scitech-tab-exams-master.xls>

(the file must be uploaded as an Excel-file – applications without a completed Excel-file will not be considered in the selection procedure)

Please note: Mendacious declarations will be penalised by criminal penalties and will result in the automatic exclusion from the ranking list.

Further documents are required only if you are interested in participating in the double degree programme with the Otto-von-Guericke-Universität Magdeburg (OvGU)

- Documentation about previous internships in industry (indicating the number of days/weeks and companies).

The missing upload of the form leads to the exclusion from the ranking list for the DD-Programme.

ADMISSION RANKING LISTS

The Selection Committee will only evaluate the documentation presented by the application deadline and will be drawn up two admission ranking lists:

- The general ranking list includes all students who submitted the application for the master.
- The second ranking list includes **only** the students who express their interest in attending the Double Degree Program with the Otto-von-Guericke-Universität Magdeburg (OVGU) through the application portal.

The ranking lists are also divided by EU citizens (and citizens of other countries who enjoy parity of treatment) and by non-EU citizens resident abroad.

Students on the **waiting list** of the ranking for the double degree programme with the Otto-von-Guericke-Universität Magdeburg (OVGU) of the 1st session will be inserted in the ranking list for the double degree programme of the 2nd session (only for those who confirmed the study place; see chapter below), if there are still free study places.

The ranking lists will be published on the website <https://www.unibz.it/en/applicants/ranking-lists/> and are only valid for the academic year for which they have been drawn up. Publication:

For the first application session, likely by 17 May 2019.

For the second application session, likely by 10 September 2019.

CONFIRMATION OF STUDY PLACE AND ENROLMENT

If you have been admitted to more than one degree course, you can only confirm a study place in one of them. With this confirmation you refrain from the admission to the other degree courses and lose the right to move up in the other ranking lists.

For enrolment you need to:

1. **pay the first instalment of university fees** (747,50 €)
2. **in the application portal**, choose the course and upload **the payment receipt** (to confirm your study place). Please note that payment will only be accepted once the receipt has been uploaded in the portal - it is not enough just to make the payment, otherwise you will lose your study place!

Deadline for applicants of Session I	27 May 2019, 12:00 noon
Deadline for applicants of Session II	20 September 2019, 12:00 noon

If you do not respect this deadline, you will automatically lose your study place, which will be offered to the subsequent applicant in the ranking list.

For EU citizens and equivalent only: If not all study places of Session I are occupied, any free places will be assigned in Session II.

Please note that payment does not allow you to receive student status, which will be acquired upon enrolment.

If you have a confirmed study place, there will be no refund of the university fees unless, in the event of non-EU applicants resident abroad, you do not receive the necessary documents from the Italian authorities in your country.

Admission with reservation:

If you do not have the required academic qualification, you will be given a conditional offer for a study place and you must submit your qualification upon enrolment. If you achieve your qualification after the enrolment deadline, you cannot enrol and you will lose your place which will be offered to the subsequent applicant in the ranking list. Suggestion: If you achieve your qualification after the enrolment deadline, you should not pay the tuition fees to confirm the study place. You will be able to submit a late enrolment request to the Rector and, only if there are study places still available, you can enrol by December 13, 2019.

3. **in the application portal, enrol online**

Deadlines	Begin	End
for applicants of Session I	15 July	11 October 2019, 12:00 noon
for applicants of Session II	10 September	11 October 2019, 12:00 noon

Enrolment is recommended as early as possible, so you have the possibility to upload incomplete documents before the end of the deadline.

If you do not respect the deadline for enrolment, you will lose your study place, which will be offered to the subsequent applicant in the ranking list.

If you have gained your qualification abroad you must upload (if not uploaded upon application):
<ul style="list-style-type: none">• diploma of your qualification
<ul style="list-style-type: none">• official translation of your diploma into Italian (translation is not necessary if the certificates have been issued in German or English)
<ul style="list-style-type: none">• the Diploma supplement, where it must be indicated:<ul style="list-style-type: none">• that the student has achieved at least 180 credit points (ECTS) and• that the study title gives access to a Master course.In case of doubt, unibz reserves the right to request further documents (e.g. declaration of equivalent value).
<ul style="list-style-type: none">• the declaration of equivalent value of the applicants qualification, in the case the Diploma supplement is missing.

At the beginning of the academic year you have to submit the originals of the above mentioned documents to the Student Secretariat.

Please note that if you do not possess a valid entrance qualification, you could be excluded with Rector`s decree even after enrolment.

If you are a non-EU citizen resident abroad:
If you are able to be admitted to the admission procedure of the course you applied for (check the admission ranking lists), the Italian Authorities in your own country will issue you with the entry visa for studies/university: this will allow you to arrive in Italy to sit any entrance tests you have to take, and to enrol for the course that you have applied for, after passing the selection procedure.
According to Italian law, within 8 working days of your arrival in Italy, you must have applied for the permit to stay: as soon as you arrive you should go to the Advisory Service and you will be given the necessary information for starting this procedure.
Once you will obtain your permit of stay for Italy (permesso di soggiorno), you have to deliver it to the Student Secretariat personally or via e-mail.

If you are a student of the Double Degree Programme at the **Otto-von Guericke University of Magdeburg** (OVGU), you must also enrol in Magdeburg shortly before the beginning of the lectures. You have to pay a fee of € 105,70 ("semester fees") only for the semesters at OVGU. During the semesters in Magdeburg, you still need to pay the fees of unibz as indicated in the chapter "Tuition fees".

Students intending to transfer from another Italian University to unibz have to submit to the Student Secretariat - at the beginning of the academic year - a copy of the transfer application presented at the university of origin.

TUITION FEES

Enrolment taxes and fees for the 2019/20 academic year amount to **1.347,50 €**.

- **1st instalment** (747,50 €)*: includes the provincial tax for the right to study of 147,50 € and a revenue stamp of 16 €.
- **2nd instalment** (600 €): must be paid by 31 March 2020.

The first instalment must be paid in order to enrol.

Delayed payment of the second instalment will result in a fine being levied. If you have not paid your taxes or other fees, you will be unable to take exams and will not be able to transfer to other universities or other degree courses. If you drop out of a course, interrupt your studies or are excluded from studies, you are not entitled to reimbursement of fees.

Exemption from the University fees (and the provincial tax) is granted to:
